Facsimile 703-433-9745

Dr. John Wengle,

In accordance with the Federal Acquisition Regulation 52.227-14 subsection 'Limited Rights Notice' - Paragraph A and the approved Confidentiality Clause included in all reports submitted by AEA Technology under contract number DE-GIO1-96EW56054, the Deactivation and Decommissioning Focus Area have requested written permission to post a copy of the following reports on the web for wide distribution to potential end users of the technology/methodology:

- 1) 'Interim Report on the Application of Improved Planning Methodology at the Oak Ridge Reservation' Dated July 1999
- 2) 'Project Quality Programme – Application of Improved Planning Methodology at the Oak Ridge Reservation, Tennessee' Dated July 1999

By copy of this letter, AEA Technology is granting the Focus Area permission to post the reports in a 'read-only' format on Department of Energy and/or FETC World Wide Web pages.

If you have any questions, please contact me at 703 433 0720.

Sincerely,

A handwritten signature in black ink, appearing to read 'Laurie Judd', with a stylized flourish at the end.

Laurie Judd
Vice President,
AEA Technology Engineering Services, Inc.
